1. Log in to app.kidkare.com with the same credentials you use to access Minute Menu CX.

2. Click . The Settings page opens.

3. In the **General Settings** section you can:
 - Click the **Language** drop-down menu and select **Spanish** to view KidKare in Spanish.
 - Click  next to **Would you like to require center staff to certify the accuracy of attendance when saving Attendance & Meal Counts in KidKare?** to require your centers to acknowledge that attendance and meal counts recorded are accurate.
4. In the **eForms Settings** section, click  next to each option to enable it. You can change settings for the following:
 - Would you like to require sites to approve enrollment forms?
 - Would you like to require sites to approve income eligibility forms?
 - Are sites allowed to send new enrollment requests to parents?
 - If a parent completes infant feeding details, do you want to indicate that the infant form is on file for the child?
 - If a parent indicates they participate in SNAP, would you like to require them to provide their SNAP number for validation?
 - Would you like to require SNAP/TANF number validation for parents to submit their forms?
 - Would you like to disallow or warn the parent of incorrect formatting?

- Would you like to hide the 'Open Online Forms' button?

5. In the **Center Access** section, click  next to each option to enable it. You can change settings for the following:

- Kids
- Food Program
- Calendar
- Claims
- eForms
