Each form you approve and renew through eForms requires your signature. Before you approve and renew forms, add your signature to KidKare in the Add Signature popup.

To do so:

1. Log in to app.kidkare.com. Use the same credentials you use to log in to Minute Menu CX.
2. Click your username in the green bubble in the top-right corner, and select **Add Signature**.

3. Click the **Type Signature** box and type your name.
4. Using your mouse, finger, or stylus, sign the **E-Signature** box.

It contains two main sections: 'Type Signature:' with a text input field containing 'Jane Doe', and 'E-Signature:' with a large rectangular area for a handwritten signature. Below the signature area is a 'Clear' button. At the bottom of the form, there is a line of text: 'By clicking Accept & Sign I understand and agree that this is a legal representation of my signature.' and a blue 'Accept & Sign' button.

5. Click **Accept & Sign**.
