Customize the Center Review Questionnaire

Last Modified on 09/19/2022 10:43 am

KidKare by Minute Menu provides an initial questionnaire, but you can customize it ^{CDT} to fit your agency and state's needs. Updating this questionnaire updates the final review form your Monitors complete in KidKare.

To update your questionnaire:

1. Log in to http://reviewadmin.minutemenu.com/ Your account must have online review configuration

permissions before you can access this page.

2. Click the **Design** tab.

- 3. Add review sections, as needed:
 - a. Click Add Section. The section details open.
 - b. Click the **Category** drop-down menu and select the category into which to place this section.
 - c. Click the Name box and enter the name of the section.
 - d. Click Save.
- 4. Click 🔸 . The question details open.
- 5. Click the **Question Text** box and enter the question.
- 6. In the Response Details section:
 - a. Click the **Response Type** drop-down menu and select the question type. For more information, see the heading **Question Types and Layouts**, below.
 - b. Check the A Response is Required box if this question is required.
 - c. Check the **Read-Only** box if this question is read-only.
- 7. Click **Advanced Options** to specify additional question requirements. For example, you can hide certain questions from the center's copy of the review. The available options vary between question types.
- 8. In the **Question Location** section:
 - a. Click the **Question Category** drop-down menu and select the category in which to place the question.
 - b. Click the Question Selection drop-down menu and select the section into which to place the question.
 - c. Check the **Follow-up Question To** box to mark this question as a follow-up question. If you select this option, a drop-down menu displays. Select the question/situation on which to follow-up.
- 9. Click the Help Text box and enter useful information for the end user.

Question Types and Layouts

Question Type	Response
Text, Email, Phone, Temperature, or Number	 This is a single line text box that allows Monitors to enter their response. Text: This is a text input box. Email: This is a text input box that validates the input is in the following format: TEXT@TEXT.TEXT Phone: This is a numeric input box that limits users to no more than 10 characters. The box automatically adds phone number separators.
